**ORDER DISMISSING CERTAIN
DEFENDANTS**

09 Civ. 02334 (AKH)

In this action, plaintiff employers allege that defendant employees conspired to destroy and divert plaintiffs' business by violating, inter alia, the Computer Fraud and Abuse Act, 18 U.S.C. § 1030, while starting a competing venture.

On September 11, 2009, the parties appeared before me for a status conference. At that time, the parties consented to dismiss from the case with prejudice defendants Matthew Kendall, Ed Aston, and Emily Fox, each of whom the plaintiffs have re-hired since filing the complaint.

The case continues only against defendants Peter B. Bailey and The Peter Bailey Company LLC. The caption shall be amended as follows:
